

Instruction

Making a deposit to TenkoFX account via Bitcoin

Bitcoin is a peer-to-peer payment system with the same-name unit of account and data protocol. This system utilizes cryptographic methods to ensure its functioning and protection. All information on Bitcoin transactions is open to the public. Electronic payments between two parties are processed without intermediaries and cannot be cancelled, i.e. there is no mechanism for cancelling a confirmed transaction or for a forcible withdrawal.

How to deposit your account via Bitcoin

1. Log in to your account: click 'Log In' on the homepage at <https://tenkofx.com>.
